Net Balance Foundation Limited
trading as the Supply Chain Sustainability School
Australian Business Number (ABN) 86 122 436 042
1 January 2021

Foreword

This document sets out the principles under which Fellows shall participate in and develop, manage and operate the Supply Chain Sustainability School. This Governance Agreement shall replace any previous arrangements with effect from 1 January 2021.

The Supply Chain Sustainability School Australia is delivered by the Net Balance Foundation Limited. As the Supply Chain Sustainability School Australia evolves the intent is for it to become its own company limited by guarantee which will also be established and continue as, a charity. Until such time the business shall be owned, operated and delivered by the Net Balance Foundation Limited and known as:

Net Balance Foundation Limited trading as the Supply Chain Sustainability School Australia Australian Business Number (ABN) 86 122 436 042

All the parties, including Fellows and the Delivery Partner, will use reasonable endeavours to incorporate the School as a stand-alone company as soon as possible after the Advisory Committee determines that incorporation should be pursued. At this time the Delivery Partner will transfer School assets to the new School.

The Advisory Board provides advice to the Delivery Partner, Net Balance Foundation Limited, in relation to the School on governance, strategy, future direction, senior industry level positioning and related matters. The 'Delivery Partner' is responsible for delivering, operating and maintaining the School and obtaining the funds and procuring the resources necessary to do so.

It is commonly understood by all Fellows that under the current governance hierarchy the Advisory Board operates as if it were a Board and Advisory Board Members act as though they are Directors, even though this is not technically the case. The Advisory Board makes recommendations to the Net Balance Foundation Limited Board. The Net Balance Foundation Limited Board have resolved to endorse the recommendations of the Advisory Board in perpetuity. Advisory Board members are not bound by the obligations of company directors nor are held liable in the way company directors are liable.

In relation to the day to day operation of the School, Net Balance Foundation Limited Board have resolved that the CEO should follow all recommendations the Advisory Board makes to the Net Balance Foundation Limited Board.

Until the School is incorporated, references to the "School" in this document as the party owing any obligation, the party that is the subject of any action, or the holder of any right, refer to the Net Balance Foundation Limited, performing such obligation, taking such action or enjoying such right out of and in relation to the assets comprising the School.

To assist in the smooth transition to a standalone entity in the future, this version of the document has been drafted on the basis that it will be adopted as the constitution of the standalone entity with the necessary changes being made, including that the following terms may be substituted.

- the Advisory Board will become the Board
- Advisory Board Members will become Directors
- The Delivery Partner will become the company or the School

This version of the document has been drafted based on the public company limited by guarantee template constitution available from the Australian Charities and Not-for-profit Commission (ACNC). For the ease of interpretation where the template refers to 'members' the school has changed this to 'Fellows'. Historically the School has referred to Fellows as Fellows. Fellows are commercial parties that have chosen to support the School financially. Upon incorporation, Fellows of the School will become the members of the new standalone entity but will continue to be referred to as "Fellows". The Governance Agreement, by-laws and policies, are not intended to create a partnership, joint venture or agency relationship between the Fellows.

This Foreword is intended as a guide to the understanding of the following document and does not form part of it. If for any reason this foreword contradicts or brings in question the contents of the document, the contents of the document shall be deemed correct

However, at a General Meeting, the Fellows may pass a resolution that the School will pay these expenses.

- 34.3 On a show of hands, the chairperson's decision is conclusive evidence of the result of the vote.

- 34.4 The chairperson and the meeting minutes do not need to state the number or proportion of the votes recorded in favour or against on a show of hands.

35. When and how a vote in writing must be held

- 35.1 A vote in writing may be demanded on any resolution instead of or after a vote by a show of hands by:
- (a) at least five Fellows Present
 - (b) Fellows Present with at least 5% of the votes that may be passed on the resolution on the vote in writing (worked out as at the midnight before the vote in writing is demanded), or
 - (c) the chairperson.
- 35.2 A vote in writing must be taken when and how the chairperson directs, unless clause 35.3 applies.
- 35.3 A vote in writing must be held immediately if it is demanded under clause 35.1:

 - (b) to decide whether to adjourn the meeting.
- 35.4 A demand for a vote in writing may be withdrawn.

- (a) dies
 - (b) is mentally incapacitated
 - (c) revokes the proxy's appointment, or
 - (d) revokes the authority of a representative or agent who appointed the proxy.
- 36.9 A proxy appointment may specify the way the proxy must vote on a particular resolution.

- 37.1 A proxy is not entitled to vote on a show of hands (but this does not prevent a Fellow appointed as a proxy from voting as a Fellow on a show of hands).
- 37.2 When a vote in writing is held, a proxy:

- (a) does not need to vote, unless the proxy appointment specifies the way they must vote
- (b) if the way they must vote is specified on the proxy form, must vote that way, and

- 38.7 The person elected to fill each vacancy on the Advisory Board will be the person who receives the most votes under clause 40.6, on the basis that once a vacancy is filled, any further vacancy will be filled by the person who received the next most votes and, in the event of an equal number of votes, will be filled by lot as among the relevant candidates unless they otherwise agree.
